WHO WE ARE

A dependable supply network, built for Bangladesh.

NARKEL.CO is a Bangladesh-based B2B coconut supply company committed to building a reliable and professional coconut supply chain for businesses across the country. We source premium-quality green coconuts and mature coconuts from coconut-producing regions throughout Bangladesh and supply them to hotels, restaurants, cafes, hospitals, corporate offices, retailers and other businesses.

Our goal is not simply to sell coconuts — we are working to create a dependable dependable supply network that benefits growers, businesses and the broader broader coconut industry.

OUR STORY

Every meaningful business begins with a purpose.

NARKEL.CO was founded with the belief that coconuts are far more than a fruit — they represent Bangladesh's agricultural strength, the dedication of local growers and the potential of a growing industry. While Bangladesh produces excellent coconuts, businesses often struggle to find reliable suppliers who can consistently meet commercial demand.

We created NARKEL.CO to bridge that gap — building a modern B2B coconut supply company that connects quality products with businesses through a dependable and transparent supply chain.

"We exist to bridge the gap between Bangladesh's coconut growers and the businesses that need a consistent, premium supply."

— THE NARKEL.CO FOUNDING PRINCIPLE
